

Can Your Father Fix Everything

Do you have one of those fathers that can fix anything? You know what I'm talking about if you do. The car is broken, dad can fix it. You need some home repairs, let me call dad. The washing machine is making a funny noise, don't worry your father will fix it. He is like a magician with a tool box. There is no problem too small or too large that he doesn't dive right into, and most the time, what do you know he fixes it. But even with all of his Jedi mechanical skills there are some things our earthly father just can't fix.

The emotional strain of the world sometimes seems too great and dear old dad can't do anything to help. It is in those times it is important to know our heavenly Father, the one who created your dad, is ready, willing, and able to step in and help you. God the Father wants to help in every aspect of your life, not just in the troubled times. *Matthew 28:20 Teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.*” But in the times when you feel you have nowhere to turn, no one to talk to, you are all alone, and you need something fixed; God your Father is there! *Psalms 46:1 God is our refuge and strength, a very present help in trouble.*

There is just one thing you need to do. *Psalms 91:15 He shall call upon Me, and I will answer him; I will be with him in trouble; I will deliver him and honor him.* Just ask Him. Just like when you go to your earthly father and ask him to fix something you need to do the same with God. God created you, loves you, and wants you to come to him with praise and your needs. Remember when you are ashamed of something in your life or are feeling overwhelmed by something you are facing in your life God your Father Can Fix Everything.
