

## You Are Loved By God!

In this world today it is easy to feel like nobody cares about you, let alone loves you. You could not be farther from the truth. God loves you; in fact, he loves you so much he sent Jesus to earth to atone for your sins so you can spend eternity in heaven with Him.

As I live out each day of my life there are many times I feel like I am alone, like I'm a failure, or I will never be good enough. All of these feelings are lies from Satan himself. *Ephesians 2:4-5* says "But because of his great love for us, God, who is rich in mercy, made us alive with Christ even when we were dead in transgressions—it is by grace you have been saved." Rich in mercy and great love, this is what God has for you and me. Not judgment and condemnation. Don't misunderstand, one day we will all stand before God to be judged. But, as I said before, God sent Jesus to earth to atone for our sins so we can be found blameless. *1 Corinthians 1:8* – "Who shall also confirm you unto the end, that ye may be blameless in the day of our Lord Jesus Christ."

Words are easy, talk is cheap, and each day of your life you find it hard to really believe God Loves You! Let's stop and look at *Romans 5:8* "But God shows his love for us in that while we were still sinners, Christ died for us."

Three important things to see from this scripture

- I. God proved just how much he loves you
- II. God knows you are a sinner and still loves you
- III. Your sin does not stop God's love for you

I. When you are feeling low, thinking no one loves you just remember God proved to you just how much you really mean to Him. God sent Jesus to earth to pay the debt for your sin by dying on the cross for you. Imagine if you can, sending your child somewhere knowing they would die so some other person could live. Think about how much you must be loved by God for him to do this. Think about who you are to God. Watch this video to help you understand just who you are to the Lord Almighty? II. God knows exactly who you are, every flaw and imperfection. *Psalms 69:5* – *O God, thou knowest my foolishness; and my sins are not hid from thee.* He knows everything you have done or will do, God knows; He knows and still loves you. When you except Christ as your Savior God doesn't see you as a sinner, He only sees Jesus covering all your imperfections. Live each day of your life knowing God loves you and wants you to have an abundant life, starting today! *John 10:10* *The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.*

III. You are a sinner, still God sent Christ to earth to die for you so your sin debt could be paid in full. Don't let Satan steal that from you. Satan wants you to feel defeated; he wants to rob you of the joy God has given you, through Christ. Live each day knowing you are special to God, live each day knowing the victory is yours, live each day knowing when Satan attacks you he does so because you are special to God.

Remember as you walk through this world you are a frame and the picture inside you is Christ.

God Bless,

Ronnie
